

## Student Sponsorship Bio

**Project:** Cashew Tree Programme

**Name:** Alexander

**Age:** 3 years old

**Location:** Kasiglahan Village, Rodriguez, Rizal

### **Education and Development**

Alexander, affectionately known as Bornok, is a bright and well-mannered 3-year-old attending the Cashew Tree Programme. He enjoys learning through play and has already developed skills such as identifying different colours.

### **How Sponsorship Helps**

Sponsorship will support Alexander's early education at Cashew Tree, providing structured learning activities, educational materials, nutritious meals, and a safe environment during these crucial early years.

### **Family Background**

Alexander lives with his parents and extended family in Kasiglahan Village. His father works as a security guard earning a modest monthly income, while his mother is a full-time housewife caring for the children. Despite challenges, the family remains close-knit, resilient, and hopeful.

### **Personality and Interests**

Alexander is kind, respectful, and cheerful. He enjoys playing outdoors with friends, dancing, and eating bread. His gentle nature and curiosity make him a joy to be around.
