

# Children of the Dump – Student Sponsorship Bio

**Project:** Cashew Tree Programme

**Name:** Xela Mata

**Age:** 3 years old

**Location:** Payatas, Quezon City

## **Education and Development**

Xela is a bright and curious 3-year-old attending the Cashew Tree Programme. She enjoys learning new things, interacting with other children, and is developing well for her age.

## **How Sponsorship Helps**

Sponsorship supports Xela's early education through structured learning, educational materials, nutritious meals, and a safe environment.

## **Family Background**

Xela lives with her mother in Payatas, Quezon City. Her mother works as a waitress and, with support from Xela's grandparents, provides a stable and loving home.

## **Personality and Interests**

Xela is cheerful, independent, and eager to learn. She enjoys interactive play and spending time with other children.
