Project: Cashew Tree Programme

Name: Caylie Yara

Age: 3 years old

Location: Payatas, Quezon City

Education and Development

Caylie Yara is a nursery-age child preparing to begin her early learning journey through the Cashew Tree Programme. She can already identify basic colours and shapes. Structured play and positive guidance will help her build confidence, communication skills, and a strong foundation for school.

How Sponsorship Helps

Sponsorship will support Caylie Yara's early education at Cashew Tree, helping provide structured learning, educational materials, nutritious meals, and a safe environment during these important formative years.

Family Background

Caylie Yara lives with her parents and two older siblings in a simple family home in Payatas, Quezon City. Her father earns an irregular living through waste picking and occasional labouring work, while her mother cares for the children and manages the home. Their limited income makes it difficult to meet the family's daily and educational needs.

Personality and Interests

Caylie Yara is cheerful, playful, and affectionate. She enjoys singing, spending time with her family, and exploring the world around her. Her favourite colour is pink, and she dreams of becoming a doctor when she grows up.
