

Student Sponsorship Bio

Project: Grapevine Programme

Name: Darino Baron

Age: 14 years old

Location: Rodriguez, Rizal

Education and Development

When Darino Baron joined Grapevine, he had completed primary school with an average grade of 88% and received an achiever award. He participated actively in school events and extracurricular activities and was recognised for his leadership and ability to manage group tasks.

How Sponsorship Helps

Sponsorship will help Darino Baron continue his secondary education through the Grapevine Programme by contributing towards school-related costs, learning and science materials, nutritious meals, and the guidance he needs to achieve his potential.

Family Background

Darino Baron lives with his parents and siblings in a modest home in Rodriguez, Rizal. His father supports the family through seasonal construction and other temporary work, while his mother cares for the home and children. Limited and irregular income makes school and household expenses difficult to meet.

Personality and Interests

Darino Baron is responsible, independent, obedient, friendly, and sociable. He helps with household chores and cares for his younger siblings. He enjoys drawing, reading fiction and science-related materials, watching films, and listening to Korean pop music. He dreams of becoming a doctor.
