

Student Sponsorship Bio

Project: Cashew Tree Programme

Name: Deandra Riley

Age: 4 years old

Location: Payatas, Quezon City

Education and Development

Deandra Riley is a nursery-age child beginning her early learning journey through the Cashew Tree Programme. She can already identify colours, shapes, and numbers. Structured learning and positive guidance will help her build confidence, communication skills, and a strong foundation for school.

How Sponsorship Helps

Sponsorship will support Deandra Riley's early education at Cashew Tree, helping provide structured learning, educational materials, nutritious meals, and a safe environment during these important formative years.

Family Background

Deandra Riley lives with her parents in a modest rented home in Payatas, Quezon City. Her father works long hours as a delivery rider and is the family's sole income earner, while her mother cares for the home. Their limited income must cover rent, utilities, food, and other essential needs.

Personality and Interests

Deandra Riley is lively, cheerful, curious, and eager to explore. She enjoys dancing, riding her bicycle, and copying dance videos. Her favourite colours are yellow and blue, and she especially enjoys eating fish. She dreams of becoming a nurse when she grows up.
